

OBJECTIVE

To obtain an internship for the summer of 2013 in the petroleum industry.

EDUCATION

- **High School:** Medina Valley Class of 2011, Rank: 17 Class size: 238 GPA: 4.16
- **College:** Texas A&M University – Harold Vance Department of Petroleum Engineering
 - **GPA:** 2.884 **Graduation:** May 2015

WORK EXPERIENCE/INTERNSHIP

- **Energy XXI – Offshore Louisiana Field Intern - Summer 2012** - three hitches at WD 30, MP 72, GI 22 fields
 - **Production** - Learned the production process and flow of oil, gas, and water
Oil - Headers→ Separators → Heater Treater→ Lact Unit
Gas - Separators→ Scrubbers→ Compressor→ Glycol→ Gaslift→ Fuel Gas→ Sales
Water - Separators→ Skimmer→ Float Cell→ Overboard
Waterflood platform (MP 61C) – Course filter, multimedia filters, paper filters, booster pumps, and injection pumps
Helped wire line rig up and down, ran gauge runs, BHP surveys, PNL log, CBL log, TMDL Log, and gas lift jobs.
 - **Drilling** - ENSCO 90 – learned the flow of a drilling rig and key components like the mud system, BOP, drill shack, and rig floor
Completion job - perforated the zone, set screens; packers, frac port, tubing hanger, and installed the wellhead – I also was able to sit in on a FracPack and acid job – They flushed lines, ran pickle, acid job, and then 25lb cross-linked gel with different concentrations of sand and gel down hole until they screened out.
- **Paradise Canyon, Rio Medina, Texas** – Worked 40-60 hours a week - summers 2009-2011 – Lead Grounds Improvement Manager, Machine operator, landscaping, fencing, road work, brush clearing, crowd control, building RV park, customer service, retail, registration. Spring and summer of 2011 promoted to manager.
- **Thomas Boehme Farms** - Age 9-present, summer work and as needed during school years
Irrigation, loading hay, driving tractors, moving round bales, plowing, driving grain trucks during harvest

SAFETY TRAINING CERTIFICATES

- Water Survival Safety Training – 5/30/2012 through 5/30/2014
- H₂S Certified – 7/2/2012 through 7/2/2013

CLUBS AND ORGANIZATIONS

- TAMU SPE Student Section member
 - SPE Clay Shoot Participant - 2011
- TAMU AADE Student Section member
 - Top Shooter AADE Clay Shoot - 2012
- Intramural Basketball Team, A&M Spring 2012
- Attended Discover Engineering Conference at Texas A&M, Oct. 23, 2010

ACADEMIC ACHIEVEMENT AND AWARDS

- Microsoft Office Specialist certified in Basic Word, PowerPoint & Excel, Spring 2011 from St. Phillip's College.
- SPE Balcones Section Scholarship Recipient 2011, 2012
- Texas A&M Education Foundation 4-year Scholarship Recipient, 2011-2015
- Texas A&M College of Engineering Student Scholarship 2012-2013

COMMUNITY SERVICE ACTIVITIES

- Kasting for Kids Fishing Tournament, 1st Place, Port Aransas, Texas – June 2008 & June 2009
San Antonio Stock Show and Rodeo Children's Benefit
- Big Event Volunteer 2012 – helped an older gentlemen rake leaves and pick up loose branches in yard.
